About Ojasvi Impex

Ojasvi Impex manufactures and exports jute, cotton, canvas and juco bags, corporate stationery and jute home décor from Nashik, Maharashtra. Every stage — weaving, cutting, printing, stitching and finishing — is handled in-house, so quality is controlled end to end and nothing is outsourced. We are an MSME and IEC registered, GST verified exporter shipping to 15+ countries with complete documentation: B/L, Certificate of Origin, Invoice, Packing List and Phytosanitary Certificate.

In-house printing: screen (1–8 Pantone), CMYK digital, embroidery, foil stamping, heat transfer and embossing. Free design assistance and Pantone colour matching on every order. Samples in 5–9 working days.

About Jute Placemats

Dress up your dining table with these crochet floral jute placemats. Handwoven entirely from natural jute, their floral pattern and tasselled edges bring a warm, earthy, boho charm to everyday meals and festive table settings alike.
At 13 inches in diameter they fit standard dinner plates, and they are heat resistant, non-slip and scratch proof — suitable for indoor and outdoor dining. Maintenance is hassle-free: clean with a brush and hand wash once in a while.

13 inches diameter

Printing & customisation

All printing is done in-house at our Nashik facility — no outsourcing, full quality control.

Screen printing	1–8 Pantone colours. Sharp lines and vibrant solids. Best for logos and simple artwork; most cost-effective on large runs.
CMYK digital	Full-colour photo quality with unlimited colours. Best for gradients, complex artwork and product photography.
Embroidery	3D stitched logo with a premium, luxury feel. 15+ thread colours. Ideal for high-end brands.
Foil stamping	Gold, silver and holographic foil for an elegant metallic finish. Popular on wine bags, gift bags and premium brands.
Heat transfer	High-definition photographic prints, wash resistant. Ideal for detailed multicolour designs.
Embossing	3D raised texture with no colour — a textural impression. Minimalist look for luxury packaging.

How to order

1. Send your requirement — product, size, quantity, fabric, GSM and artwork.
2. We quote within 24 hours with FOB or CIF pricing.
3. Sample approval in 5–9 working days.
4. Bulk production in 20–35 working days, then export documentation and dispatch.
